Recommended Route to Las Palomas

As you reach the outskirts of Rocky Point headed south on Mexico 8 from Sonoyta, you will see a bridge heading south & a junction for Caborca to the east and Golfo de Santa Clara to the west. **Bear right** (west), but do not take the overpass, following the sign for Golfo de Santa Clara.

After you make the turn, you will be able to see the Sandy Beach high-rise condo buildings including Las Palomas off to your left in the distance. Continue on following the Laguna del Mar/ Sandy beach/ La Choya/ Laguna Shores signs.

Take that road for about 3 miles and you will come to a railroad crossing. This crossing does not have an automatic gate so be careful to stop and look both ways before crossing. About 100 yards after this RR crossing, **turn left** at the large intersection to a new connector road to Sandy Beach. After you turn left, you will see a welcome to Puerto Penasco sign & the Sandy Beach condo buildings straight ahead in the distance.

After 2 miles, you will come to a traffic circle which has one convenience store. Take the first right as you bear around the traffic circle. The condo buildings are in clear view so finding your way is very easy.

After you pass thru the Sandy Beach Resorts entrance, take the first street to the left, go up to the hill and turn right at the traffic circle into Las Palomas.
